Discounted Pool Chemical Products Now Available for AUSTSWIM Recognised Swim Centres

AUSTSWIM and Hy-Clor recently announced a partnership arrangement in a media release distributed on Wednesday 8th September 2010 (see below to view).

As part of this partnership AUSTSWIM recognised swim centres now have access via the Hy-Clor website (www.hyclor.com.au) to gain access to a range of discounted pool chemicals and equipment via online ordering. This offer aims to provide avenue for swim centre's to reduce the cost of operating their centre's significantly.

AUSTSWIM recognised swim centres can expect to receive a hard copy of their user name and password login details in the coming days. Once these details have been received, AUSTSWIM recognised swim centres will have access to view online price lists, ordering, water testing and technical support. Orders can also be placed by calling Hy-Clor on 1300 922 089.

The partnership between Hy-Clor and AUSTSWIM provides AUSTSWIM and its recognised swim centre's with educational products, seven day (7) technical support on a toll free number (1800 625 123) as well as involvement in regional programs including indigenous swimming and water safety programs and pool maintenance programs.

AUSTSWIM urge their recognised swim centre's to take advantage of Hy-Clor's nationwide distribution service and technical support to help you enhance your pool operations.

Further information

To receive seven day (7) technical support on 1800 625 123

To place an order call Hy-Clor Australia on 1300 922 089
