TRAVEL WITH HEART

VIETNAM
SWIM MISSION 2015
28 MARCH - 10 APRIL
OR
27 JUNE - 10 JULY

Travel to Vietnam and spend time teaching vulnerable children how to swim

Drowning is one of leading causes of mortality among children over the age of one in Vietnam. Reasons for the increasing number of child deaths from drowning include unsafe environments, limited awareness, inadequate adult supervision and a lack of swimming skills.

It is widely reported that the death toll from drowning is higher than the road toll.

In partnership with AUSTSWIM and Swim Vietnam this trip will provide vulnerable children with basic swimming and water safety skills.

There is also the opportunity to explore the beauty and vibrancy that is Vietnam with highlights including the bustling city of Hanoi, the breathtaking Halong Bay and UNESCO World Heritage sites of Hue and Hoi An.

Swim Vietnam is a registered charity which has been operating in Central Vietnam for 6 years providing free swimming lessons to Vietnamese children and training adults as swimming teachers. Participants will be following the Swim Vietnam program and duties will be flexible depending on what is needed at this time.

To participate in swimming instruction you must have AUSTSWIM accreditation and a current working with children check.
