

**AUSTSWIM
AWARDS OF EXCELLENCE
NOMINATION GUIDELINES
2026**

About the Awards

Do you want to recognise an outstanding teacher or swim school in your state, territory or country?

You can celebrate their achievements by nominating them for an AUSTSWIM Award!

What started as three national award categories in 2004 has now grown to cover the AUSTSWIM community on a national and international level. The Awards acknowledge individuals, organisations and programs for their contribution to aquatic education and water safety through leadership, innovation, and community spirit - helping teachers and communities to save lives.

Nominating is an opportunity to reflect on an individual or organisation's achievements and praise those who go above and beyond for students and their community every day.

This guide provides information on how to nominate, the judging process, and each award category.

Why nominate?

The AUSTSWIM Awards are an exciting opportunity to celebrate the contributions of teachers, Trainers, organisations and programs.

AUSTSWIM teachers are the backbone of the aquatic and recreation industry and teach thousands of people across Australia and beyond each week. The impact and influence of our AUSTSWIM licensed teachers go beyond the 30-minute lesson each week.

Recipients and nominees have often been inspired by their own role models in swim schools or the industry. Now, these recipients are inspiring their own students, colleagues, and communities - sharing their motivation and passion while guiding and assisting those around them to achieve their best.

Who can nominate?

The good news is that anyone who is an AUSTSWIM licensed teacher or is connected to AUSTSWIM through their swim school can nominate AUSTSWIM licensed teachers or a swim school who make valuable contributions to the wider community and/or industry.

Celebrating the people and programs behind safer aquatic communities.

The awards celebrates teachers, Trainers, organisations and programs whose work creates long-term benefit for students, colleagues and communities.

About the Awards

The awards are open to teachers, Trainers, swim schools, organisations, programs and initiatives who meet the criteria of the award categories. Recipients and nominees from previous years are eligible for nomination.

Individual Award Categories

- To be eligible for an award, nominees must demonstrate excellence across the relevant selection criteria for their award category. Nominators are encouraged to work with the nominee to ensure all information submitted is accurate, complete, and supported by appropriate evidence where applicable.
- Nominees must hold a current AUSTSWIM Licence to be eligible for consideration for an award.

AUSTSWIM Swim School Network Award Categories

- To be eligible for an award, nominated swim schools must demonstrate excellence across the relevant selection criteria. Nominators are encouraged to work with the nominated swim school to ensure the information provided is accurate, complete, and reflects the school's achievements and impact.
- Nominees must be a registered and paid member of the AUSTSWIM Swim School Network prior to 30 June 2026.

Industry & Community Impact Award Categories

- To be eligible for an award, nominees must demonstrate significant experience, knowledge, and contribution across the relevant selection criteria. Nominators are encouraged to work with the nominee to ensure the information provided is accurate and reflects their achievements, impact, and contribution to the aquatic industry and/or wider community.
- Nominees for the AUSTSWIM Innovation Award can be an individual, swim school, aquatic facility or organisation. For facilities or organisations to be eligible, their initiative or program must engage at least one (1) AUSTSWIM Licensed Teacher or Swim School Network member.

How to nominate

Thank you for taking the time to recognise excellence within the aquatic industry. Nominating is an opportunity to acknowledge individuals, organisations and programs that have made an outstanding contribution to swimming and water safety.

Before submitting a nomination, please read the eligibility and category criteria carefully to ensure the nominee meets the requirements. Complete all required sections of the nomination form and provide clear examples that address the selection criteria. The stronger the evidence provided, the better the judges will be able to assess the nominee's achievements and impact.

The nominations will be taken on a community level and you are welcome to nominate more than one individual per category by submitting additional nominations on a separate form.

What happens next?

1

Selection Process

Once nominations are submitted, they will be assessed to confirm they are eligible to proceed.

2

Nominations Panel

Nominees will be reviewed by an internal nominations panel, with each submission evaluated against the award criteria using a weighted scoring system. A select number of finalists will then be determined for each award category before progressing to the next stage of the judging process.

3

Finalists

After the conclusion of the nomination process, finalists will be contacted to confirm their participation.

Further supporting information may be required including responses to additional questions and the submission of a short video.

4

Judging Process

Once all finalist applications have been received, a judging panel will be convened. The panel will use a weighted criteria to review all finalists submissions.
