Amy Foran, AUSTSWIM Presenter of the Year Award

Her love of swimming inspired Amy Foran to become an AUSTSWIM Teacher of swimming and water safety seven years ago.

Amy, from Bruce, ACT, has taught at swim schools throughout regional NSW and the ACT.

"I became a swimming teacher because I loved swimming myself and had always been involved in squad and competitive swimming," Amy said. "I wanted to share that love for swimming with other students, teaching children a skill for life that may one day save their lives or the life of another."

The Award is one of eight national AUSTSWIM Awards that recognise brilliance, commitment and innovation in the teaching of swimming and water safety. AUSTSWIM CEO, Jennifer Schembri-Portelli, said the premier awards are presented to individuals or organisations that achieve the highest standards of aquatic education excellence.

Amy said she enjoyed the challenge of continually learning, developing and growing as a teacher and constantly striving for success and achievements with her students. "No two days are ever the same. Each day, each class you teach presents new and exciting challenges. Swim teaching is constantly evolving with new schools of thought being developed. I enjoy seeing the smiles on children and parents' faces as they participate and engage in my lessons."

The Award is supported by HyClor and was presented at the SPLASHOUT! 2017 NSW Regional Conference in Sawtell.
